# About Centerpoint Health

Centerpoint Health is a regional healthcare provider serving communities across Central Kentucky, including the nine-county region of Greater Lexington. Formed in 2026 by the joining of four community hospitals - Bluegrass Community Hospital in Versailles, Bourbon Community Hospital in Paris, Clark Regional Medical Center in Winchester and Georgetown Community Hospital in Georgetown - this network of hospitals is comprised of nearly 1,700 team members guided by a mission of *making communities healthier*.®

As a leading healthcare provider, Centerpoint Health takes pride in providing personalized patient care with excellent quality, kindness and compassion. All four Centerpoint Health teams have been designated as Lifepoint National Quality Leaders. This recognition reflects outstanding leadership, performance and culture across Lifepoint hospitals.

We recognize the crucial role a thriving healthcare network plays in supporting the economic health and development of a community, and we are proud to share our contributions through this report.
